"The United States Hispanic Chamber of Commerce congratulates Congresswoman Lori Chavez-DeRemer on her confirmation as U.S. Secretary of Labor.

We're confident that her leadership and commitment to workforce development will drive a new era of job creation as she leads the Department of Labor.

As one of the first two Latinas elected to Congress from Oregon, she has championed labor, education, and economic policies that empower American workers and small businesses.

On behalf of the USHCC's Board of Directors and our members, we look forward to working together to expand economic prosperity across the country."
